

End of Summer Newsletter

**Geo introduces
Wednesday Night Happy
Hours!**

**Wednesdays 6:00-8:00
441 Angell Street**

As the summer winds down, we here at Geo figure some of you might need some wind down time after work as you get back into the weekly grind. All are invited to our office every Wednesday from 6-8 for cocktails and hors d'oeuvres on our back deck. Hope to see you!

Important Notice to our Buyers: **The deadline to close on a property in order to receive the 8k credit is November 30th! Less than 3 months left! To meet the deadline buyers need to have a contract around September 30th since the mortgage approvals are typically taking 45-60 days!**

**Also Introducing “Rita’s Blog”
Our New Monthly Website
Feature**

This Month’s Reflection:
**Bringing International
Investor’s into our State**

EXCERPT: *“Providence, in its small glory, legitimately presently presents itself as both an affordable, culturally rich urban mecca, and as one of the United State’s best investor dark horse hotspots in our current opportunistic market.”*
